## Wybunbury Combined Parishes Neighbourhood Plan

### **Acknowledgements**

Following public consultation (16.10.15 – 27.11.15) and the decision on 1<sup>st</sup> December 2015 to create a Combined Parishes Neighbourhood plan, the definitive steering group was formally established on Wednesday 15<sup>th</sup> March 2017 comprising Councillors, Parish Councillors and members of the public.

The Steering Group members have spoken with many people in the plan area, have conducted local surveys, public meetings and events and would like to acknowledge the support and contributions of all those who have been involved in the formulation of the Neighbourhood Plan in any way, throughout the process.

All Parish Councils have been supportive from the outset and have made funds available to support the work of the Steering Group.

Cheshire East Council staff have provided helpful guidance and support throughout and additional funding for the whole process has been supplied by a grant from Locality.
